## NC Magnetic Media Specifications For 1099 Reporting

Any information return (1099) which shows North Carolina income tax withheld must be filed with North Carolina. **Do not report information returns to North Carolina if no NC income tax has been withheld.** Applicable forms are:

- 1099-R Distributions from Pensions, Annuities, Retirement or Profit-sharing, etc.
- 1099-MISC Miscellaneous Income
- NC-1099PS Personal Services Income Paid to a Nonresident (treat as 1099-MISC return)

Reports for 250 or more payees must be submitted on magnetic media. Beginning with tax year 2002, these media must meet the requirements for filing Federal 1099 information as specified in Internal Revenue Service Publication 1220. Although North Carolina participates in the IRS Combined Federal/State Filing Program, **returns which report NC income tax withheld must be filed directly to North Carolina Department of Revenue.**
